INFORMATION CIRCULAR

(Containing information as at April 1, 2022 unless indicated otherwise)

SOLICITATION OF PROXIES BY MANAGEMENT

This Management Information Circular (the “Circular”) is furnished in connection with the solicitation by the management of the Corporation of proxies to be used at the annual and special meeting of shareholders (the “Meeting”) of the Corporation to be held at the time and place and for the purposes set out in the Notice of Meeting. It is expected that the solicitation will be made primarily by mail. However, officers and employees of the Corporation may also solicit proxies by telephone, telecopier, e-mail or in person. The total cost of solicitation of proxies will be borne by the Corporation.

INTERNET AVAILABILITY OF PROXY-RELATED MATERIALS

Notice-and-Access

The Corporation has elected to use “notice-and-access” rules (“**Notice-and-Access**”) under National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) for distribution of Proxy-Related Materials (as defined below) to shareholders who do not hold shares of the Corporation in their own names (referred to herein as “**Beneficial Shareholders**”). Notice-and-Access is a set of rules that allows issuers to post electronic versions of proxy-related materials on SEDAR and on one additional website, rather than mailing paper copies. “**Proxy-Related Materials**” refers to this Circular, the Notice of Meeting, a voting instruction form (“**VIF**”), the Corporation’s 2021 annual report containing the Corporation’s annual audited financial statements for the year ended September 30, 2021 and the related Management’s Discussion and Analysis.

The use of the Notice-and-Access is more environmentally friendly as it will help reduce paper use. It will also reduce the Corporation’s printing and mailing costs. Beneficial Shareholders may obtain further information about Notice-and-Access by contacting Broadridge Financial Solutions, Inc. toll free at 1-855-887-2244.

The Corporation is not using Notice-and-Access for delivery to shareholders who hold their shares directly in their respective names (referred to herein as “**Registered Shareholders**”). Registered Shareholders will receive paper copies of this Circular, related materials and the Corporation’s 2021 annual report via prepaid mail.

Websites Where Proxy-Related Materials are Posted

The Proxy-Related Materials are available on the Corporation’s website at www.focusgraphite.com and under the Corporation’s profile on SEDAR at www.sedar.com.

Notice Package

Although the Proxy-Related Materials have been posted on-line as noted above, Beneficial Shareholders will receive paper copies of a notice package (“**Notice Package**”) via prepaid mail containing information and documents prescribed by NI 54-101 such as: the date, time and location of the Meeting, the website

addresses where the Proxy-Related Materials are posted, a VIF, and supplemental mail list return card for Beneficial Shareholders to request they be included in the Corporation's supplementary mailing list for receipt of the Corporation's interim financial statements for the 2022 fiscal year.

How to Obtain Paper Copies of Proxy-Related Materials

Beneficial Shareholders may obtain paper copies of the Circular and the Corporation's 2021 annual report free of charge by contacting Broadridge Financial Solutions, Inc. toll free at 1-877-907-7643. Any request for paper copies which are required in advance of the Meeting should be sent so that the request is received by the Corporation by 5:00 p.m. (eastern time) on May 9, 2022 in order to allow sufficient time for Beneficial Shareholders to receive their paper copies and to return their VIFs by the due date. After the Meeting date, Beneficial Shareholders may obtain paper copies of the Circular free of charge by contacting the Secretary of the Corporation at 613-241-4040.

APPOINTMENT AND REVOCATION OF PROXIES

Appointment of Proxy

In light of the ongoing public health concerns related to COVID-19 and in order to comply with the measures imposed by the federal and provincial governments, the Corporation is strongly encouraging Shareholders not to attend the Meeting in person. The Corporation will be strictly restricting physical access to the Meeting and only registered Shareholders and formally appointed proxy holders will be entitled to attend. In order to comply with government orders concerning the maximum size of public gatherings and required social distancing parameters, the Corporation may be unable to admit Shareholders to the Meeting. The Corporation strongly encourages Shareholders to vote by proxy.

To further mitigate the risk of the spread of this virus, the Meeting will be made accessible by audio conference at 1 800 669 6180 (Canada and US) Participant Code 745484. This call will be listen-only and shareholders will not be able to vote or speak at, or otherwise participate in the Meeting via the conference call.

A Registered Shareholder who is unable to attend the Meeting in person is requested to complete and sign the enclosed form of proxy and to deliver it to Computershare Investor Services Inc. (i) by mail or hand delivery to Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, or (ii) by facsimile to 416-263-9524 or 1-866-249-7775. A Registered Shareholder may also vote using the internet at www.investorvote.com or telephone at 1-866-732-8683. In order to be valid and acted upon at the Meeting, the form of proxy must be received no later than 5:00 p.m. (eastern time) on May 17, 2022 or be deposited with the Secretary of the Corporation before the commencement of the Meeting or any adjournment thereof.

The document appointing a proxy must be in writing and executed by the Registered Shareholder or his attorney authorized in writing or, if the Registered Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized.

A Registered Shareholder submitting a form of proxy has the right to appoint a person (who need not be a shareholder) to represent him or her at the Meeting other than the persons designated in the form of proxy furnished by the Corporation. To exercise that right, the name of the Registered Shareholder's appointee should be legibly printed in the blank space provided. In addition, the Registered Shareholder should notify the appointee of his or her appointment, obtain his or her

consent to act as appointee and instruct the appointee on how the Registered Shareholder's shares are to be voted.

Shareholders who are not Registered Shareholders should refer to "Notice to Beneficial Shareholders" below.

Revocation of Proxy

A Registered Shareholder who has submitted a form of proxy as directed hereunder may revoke it at any time prior to the exercise thereof. If a Registered Shareholder who has given a proxy personally attends the Meeting at which that proxy is to be voted, that Registered Shareholder may revoke the proxy and vote in person. In addition to the revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the Registered Shareholder or his attorney or authorized agent and deposited with (i) Computershare Investor Services Inc. at any time up to 5:00 p.m. (eastern time) on May 17, 2022 by mail or by hand delivery to Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, or by facsimile to 416-263-9524 or 1-866-249-7775, (ii) at the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting, or (iii) with the chairman of the Meeting on the day of the Meeting before the commencement thereof, or any adjournment thereof, and upon any such deposit, the proxy will be revoked.

Notice to Beneficial Shareholders

The information set out in this section is of importance to many shareholders, as a substantial number of shareholders are Beneficial Shareholders and do not hold shares of the Corporation in their own names. Beneficial Shareholders should note that only proxies deposited by Registered Shareholders (shareholders whose names appear on the records of the Corporation as the registered holders of shares) can be recognized and acted upon at the Meeting or any adjournment(s) thereof. If shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those shares will not be registered in the shareholder's name on the records of the Corporation. Those shares will more likely be registered under the name of the shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). Shares held by brokers or their nominees can be voted (for or against resolutions or withheld from voting) only upon the instructions of the Beneficial Shareholder. Without specific instructions, the broker/nominees are prohibited from voting shares for their clients. Subject to the following discussion in relation to NOBOs (as defined below), the Corporation does not know for whose benefit the shares of the Corporation registered in the name of CDS & Co., a broker or another nominee, are held.

There are two categories of Beneficial Shareholders for the purposes of applicable securities regulatory policy in relation to the mechanism of dissemination to Beneficial Shareholders of proxy-related materials and other securityholder materials and the request for voting instructions from such Beneficial Shareholders. Non-objecting beneficial owners ("NOBOs") are Beneficial Shareholders who have advised their intermediary (such as brokers or other nominees) that they do not object to their intermediary disclosing ownership information to the Corporation, consisting of their name, address, e-mail address, securities holdings and preferred language of communication. Securities legislation restricts the use of that information to matters strictly relating to the affairs of the Corporation. Objecting beneficial owners ("OBOs") are Beneficial Shareholders who have advised their intermediary that they object to their intermediary disclosing such ownership information to the Corporation.

NI 54-101 permits the Corporation, in its discretion, to obtain a list of its NOBOs from intermediaries and use such NOBO list for the purpose of distributing the Notice Package directly to, and seeking voting instructions directly from, such NOBOs. As a result, the Corporation is entitled to deliver the Notice Package to Beneficial Shareholders in two manners: (a) directly to NOBOs and indirectly through intermediaries to OBOs; or (b) indirectly to all Beneficial Shareholders through intermediaries. In accordance with the requirements of NI 54-101, the Corporation is sending the Notice Package directly to NOBOs and indirectly through intermediaries to OBOs. The cost of the delivery of the Notice Package by intermediaries to Beneficial Shareholders will be borne by the Corporation.

The Corporation has used a NOBO list to send the Notice Package directly to NOBOs whose names appear on that list. If the Corporation's transfer agent, Computershare Investor Services Inc., has sent these materials directly to a NOBO at the request of the Corporation, such NOBO's name and address and information about its holdings of shares of the Corporation have been obtained from the intermediary holding such shares on the NOBO's behalf in accordance with applicable securities regulatory requirements. As a result, any NOBO of the Corporation can expect to receive a VIF from Computershare Investor Services Inc. NOBOs should complete and return the VIF to Computershare Investor Services Inc. in the envelope provided. In addition, telephone voting and internet voting are available; instructions in respect of the procedure for telephone and internet voting can be found in the VIF. Computershare Investor Services Inc. will tabulate the results of VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by such VIFs.

Applicable securities regulatory policy requires intermediaries, on receipt of Notice Packages that seek voting instructions from Beneficial Shareholders indirectly, to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings on Form 54-101F7 (Request for Voting Instructions Made by Intermediary). Every intermediary/broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting or any adjournment(s) thereof. Often, the form of request for voting instructions supplied to a Beneficial Shareholder by its broker is identical to the form of proxy provided to Registered Shareholders; however, its purpose is limited to instructing the Registered Shareholder how to vote on behalf of the Beneficial Shareholder. Beneficial Shareholders who wish to appear in person and vote at the Meeting should be appointed as their own representatives at the Meeting in accordance with the directions of their intermediaries and Form 54-101F7. Beneficial Shareholders can also write the name of someone else whom they wish to appoint to attend at the Meeting and vote on their behalf. Unless prohibited by law, the person whose name is written in the space provided in Form 54-101F7 will have full authority to present matters to the Meeting and vote on all matters that are presented at the Meeting, even if those matters are not set out in Form 54-101F7 or this Circular.

The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). In forwarding the Notice Package to Beneficial Shareholders, Broadridge typically includes a VIF in lieu of the form of proxy that some intermediaries employ. Beneficial Shareholders are requested to complete and return the VIF to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free telephone number to vote the shares held by them or access Broadridge's dedicated voting website at <https://central-online.proxyvote.com> to deliver their voting instructions. Broadridge will then provide aggregate voting instructions to the Corporation's transfer agent and registrar, which will tabulate the results and provide appropriate instructions respecting the voting of shares to be represented at the Meeting or any adjournment(s) thereof.

All references to shareholders in this Circular, the enclosed form of proxy, and the Notice of Meeting are to the Registered Shareholders unless specifically stated otherwise.

EXERCISE OF DISCRETION BY PROXIES

Shares represented by properly-executed proxies or VIFs in favour of the persons designated in the enclosed form of proxy or voting information forms, in the absence of any direction to the contrary, will be voted for the: (i) election of directors; (ii) appointment of the auditor; and (iii) resolution approving and confirming the stock option plan of the Corporation, as stated under such headings in this Circular. The shares represented by the proxy or VIF will be voted or withheld from voting in accordance with the instructions of the shareholder on any ballot that may be called for, and if a shareholder specifies a choice with respect to any matter to be acted upon, the shares will be voted accordingly. With respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting, such shares will be voted by the persons so designated in their discretion. At the time of printing this Circular, management of the Corporation knows of no such amendments, variations or other matters.

VOTING SHARES

As at the date of this Circular, there were 551,663,902 issued and outstanding common shares of the Corporation.

Each Common Share entitles the holder thereof to receive notice of and attend all meetings of Shareholders and to vote at such meetings, except meetings at which only holders of a specified class or series of shares are entitled to vote.

Each holder of record of a Common Share on April 6, 2022, the record date established for notice of the Meeting, will, unless otherwise specified in this Circular, be entitled to one vote for each Common Share held by such holder on all matters coming before the Meeting, except to the extent that such holder has transferred any such Common Shares after the record date and the transferee of such Common Shares establishes ownership of such Common Shares and makes a written demand, not later than ten (10) days before the Meeting, to be included in the list of Shareholders entitled to vote at the Meeting, in which case the transferee will be entitled to vote such Common Shares at the Meeting.

QUORUM FOR THE TRANSACTION OF BUSINESS

The Corporation's By-Laws provide that the quorum at a meeting of the shareholders of the Corporation shall be constituted by the attendance of at least two shareholders, present in person or represented by proxy, holding at least 10% of the votes attached to outstanding voting shares.

PRINCIPAL SHAREHOLDERS

As at April 1, 2022, to the best knowledge of the Corporation, no person beneficially owned, directly or indirectly, or exercised control or direction over, more than 10% of the common shares of the Corporation.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

The Corporation is not aware of any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, of any of the following persons in any matter to be acted upon at the Meeting:

- (a) each person who has been a director or executive officer of the Corporation at any time since the beginning of the Corporation's last financial year;

- (b) each proposed nominee for election as a director of the Corporation; and
- (c) each associate or affiliate of any of the foregoing.

These audited financial statements form part of the 2021 Annual Report of the Corporation. Copies of the 2021 Annual Report may be obtained from the Secretary of the Corporation upon request and will be available at the Meeting.

ELECTION OF DIRECTORS

The By-laws of the Corporation provide that the members of the Board of Directors of the Corporation (the “**Board**”) are elected annually. COMPENSATION OF EXECUTIVE OFFICERS AND DIRECTORS

Compensation Discussion and Analysis

Interpretation

“Named executive officer” (“NEO”) means:

- (a) a Chief Executive Officer (“CEO”);
- (b) a Chief Financial Officer (“CFO”);
- (c) each of the three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000 for that financial year; and
- (d) each individual who would be a NEO under paragraph (c) but for the fact that the individual was neither an executive officer of the Corporation, nor acting in a similar capacity, at the end of that financial year.

The NEOs who are the subject of this Compensation Discussion and Analysis are Marc Roy, President & CEO and Judith Mazvihwa-MacLean, CFO.

Compensation Committee

The Compensation Committee is composed of three directors, Robin Dow, Lindsay Weatherdon, and Jeff York (Chairman of the Compensation Committee), none of whom is or has been at any previous time an employee of the Corporation or any of its subsidiaries. Robin Dow and Lindsay Weatherdon are independent members of the Compensation Committee and Jeffrey York is not an independent member of the Compensation Committee within the meaning of National Instrument 52 – 110 *Audit Committees* (“NI 52-110”). The Board is of the view that the Compensation Committee collectively has the knowledge, experience and background to fulfill its mandate, and that each of the members of the Compensation Committee has direct experience relevant to his responsibilities regarding executive compensation. Each of the members of the Compensation Committee is an experienced senior executive. In particular, Jeffrey York is a Partner at Farm Boy stores and is chairman of multiple boards of publicly traded companies, Robin Dow is the CEO of Dow Group, Explorers Inc. and Lindsay Weatherdon is President & CEO of Braille Energy Systems Inc. and Executive Vice-President of Concord National LLP. These collective skills and extensive experience enable the Compensation Committee to make decisions on the suitability of the Corporation’s compensation policies and practices. The responsibilities and process of the Compensation Committee are listed in this present section.

Compensation Program Objectives

The objectives of the Corporation’s executive compensation program are as follows:

- to attract, retain and motivate talented executives who create and sustain the Corporation’s continued success;
- to align the interests of the Corporation’s executives with the interests of the Corporation’s shareholders; and

- to provide total compensation to executives that is competitive with that paid by other companies of comparable size engaged in similar business in appropriate regions.

Overall, the executive compensation program aims to design executive compensation packages that meet executive compensation packages for executives with similar talents, qualifications and responsibilities at companies with similar financial, operating and industrial characteristics. The Corporation is a mining company involved in exploration and will not be generating significant revenues from operations for a significant period of time. As a result, the use of traditional performance standards, such as corporate profitability, is not considered by the Corporation to be appropriate in the evaluation of the performance of the NEOs.

Purpose of the Compensation Program

The Corporation's executive compensation program has been designed to reward executives for reinforcing the Corporation's business objectives and values.

Elements of Compensation Program

The executive compensation program consists of a combination of base salary, performance bonus and stock option incentives.

Purpose of Each Element of the Executive Compensation Program

The base salary of an NEO is intended to attract and retain executives by providing a reasonable amount of non-contingent remuneration.

In addition to a fixed base salary, each NEO is eligible to receive a bonus meant to motivate the NEO and is determined on a case by case basis. Awards under this plan are made by way of cash payments only, which payment are made at the end of the fiscal year.

Stock options are generally awarded to NEOs on an annual basis. The granting of stock options upon hire aligns NEOs' rewards with an increase in shareholder value over the long term. The use of stock options encourages and rewards performance by aligning an increase in each NEO's compensation with increases in the Corporation's performance and in the value of the shareholders' investments.

Determination of the Amount of Each Element of the Executive Compensation Program

Intervention of the Board of Directors

Compensation of the NEOs of the Corporation is reviewed annually by the Compensation Committee who makes its recommendation to the Board. The Board approves the compensation of each NEO based on the recommendation of the Compensation Committee.

Base Salary

The base salary review of each NEO takes into consideration the current competitive market conditions, experience, performance, and the particular skills of the NEO. Base salary is not evaluated against a formal "peer group". The Compensation Committee and the Board rely on the general experience of its members in setting base salary amounts.

Performance Bonuses

The bonus for each individual NEO is determined on a case by case basis. The factors considered in

assessing the bonus amounts include, but are not limited to, the position of the NEO and expense control.

Stock Options

The Corporation has established a formal plan (the “**Stock Option Plan**”) under which stock options are granted to directors, officers, employees and consultants as an incentive to serve the Corporation in attaining its goal of improved shareholder value. The Board determines which NEOs (and other persons) are entitled to participate in the Stock Option Plan; determines the number of options granted to such individuals; and determines the date on which each option is granted and the corresponding exercise price and expiry date. For further information regarding the Stock Option Plan refer to section “*Securities Authorized for Issuance Under Equity Compensation Plans*”.

The Board makes these determinations subject to the provisions of the existing Stock Option Plan and, where applicable, the policies of the TSX Venture Exchange (the “**TSX-V**”).

Assessment of Risks Associated with the Corporation’s Compensation Policies and Practices

The Board has not proceeded to an evaluation of the implications of the risks associated with the Corporation’s compensation policies and practices. The Corporation has not adopted a policy forbidding directors or officers from purchasing financial instruments that are designed to hedge or offset a decrease in market value of the Corporation’s securities granted as compensation or held, directly or indirectly, by directors or officers. The Corporation is not, however, aware of any directors or officers having entered into this type of transaction.

External Compensation Consultants

During the fiscal year ended September 30, 2015, the Corporation retained the services of executive compensation consultants to assist the Board in determining compensation for some of the Corporation’s NEOs and directors.

During the fiscal year ended September 30, 2021, the Corporation did not retain the services of executive compensation consultants to assist the Board in determining compensation for any of the Corporation’s NEOs or directors.

Executive Compensation-Related Fees

“Executive Compensation-Related Fees” consist of fees for professional services billed by each consultant or advisor, or any of its affiliates, that are related to determining compensation for any of the Corporation’s directors and executive officers. Perrault Consulting Inc. billed the Corporation \$10,000 in Executive Compensation-Related Fees in the fiscal year ended September 30, 2015 and did not bill the Corporation any Executive Compensation-Related Fees in the fiscal years ended September 30, 2020 and 2021.

All Other Fees

“All Other Fees” consist of fees for services that are billed by each consultant or advisor mentioned above and which are not reported under “Executive Compensation-Related Fees”. Perrault Consulting Inc. did not bill the Corporation for any other fees during the fiscal year ended September 30, 2015 or during the fiscal years ended September 30, 2020 and 2021.

Link to Overall Compensation Objectives

Each element of the executive compensation program has been designed to meet one or more objectives of the overall program.

The fixed base salary of each NEO, combined with the performance bonuses and granting of stock options, has been designed to provide total compensation which the Board believes is competitive with that paid by other companies of comparable size engaged in similar business in appropriate regions.

PARTICULARS OF OTHER MATTERS TO BE ACTED UPON

APPROVAL OF THE STOCK OPTION PLAN

The material terms and conditions of the Stock Option Plan are set out under the heading “*Stock Option Plan*” in this Circular.

The Corporation’s shareholders will be asked to adopt the following resolution at the Meeting (the “**Stock Option Plan Resolution**”):

“IT IS RESOLVED;

1. **THAT** the Stock Option Plan of the Corporation, as described in the Management Information Circular dated April 1, 2022 be and it is hereby authorized and approved; and
2. **To** authorize any one director or officer of the Corporation to do all acts and things, to execute and to deliver all agreements, documents and instruments, to give all notices and to deliver file and distribute all documents and information with such person determined to be necessary or desirable in connection with or to give effect to and carry out the foregoing resolution”

In order to be adopted, the Stock Option Plan Resolution must be approved by a majority of the votes cast by the shareholders, either present in person or represented by proxy at the Meeting.

Unless otherwise specified, the persons named in the accompanying form of proxy intend to vote FOR the Stock Option Plan Resolution.

SHARE CONSOLIDATION

At the Meeting, Shareholders will be asked to consider, and if deemed appropriate, pass a special resolution (the “**Share Consolidation Special Resolution**”), the full text of which resolution is set out in Schedule B to this Circular, approving an amendment to the Corporation’s articles to consolidate the issued and outstanding Common Shares of the Corporation on the basis of one (1) post-consolidation Common Share for every ten (10) pre-consolidation Common Shares outstanding (the “**Share Consolidation**”).

No fractional Common Shares of the Corporation will be issued if, as a result of the Share Consolidation, a registered shareholder would otherwise be entitled to a fractional share. Instead, the Corporation will round any fractional shares resulting from the Consolidation in the following manner: a registered shareholders holding 0.50 or more fractional shares will be rounded up to the nearest whole share, and a registered shareholder holding 0.49 or less fractional shares will be rounded down to the nearest whole share.

The Share Consolidation will affect all Shareholders uniformly and will not affect any Shareholders’ percentage interest in the Corporation, except to the extent that the Share Consolidation would otherwise result in a Shareholder owning a fractional share. In addition, the Share Consolidation will not affect any Shareholder’s proportionate voting rights, subject to the treatment of fractional shares described above. Under the *Canada Business Corporations Act*, the proposal to proceed with a consolidation of share capital must be approved by special resolution which requires that the resolution be passed by not less than two-third (2/3) of the votes cast by shareholders represented in person or by proxy at the Meeting. The implementation of the Share Consolidation Special Resolution is conditional upon the Corporation obtaining the necessary regulatory consents.

The terms of the Corporation’s stock options, warrants and convertible securities that are outstanding prior to the implementation of the Share Consolidation will be adjusted to their terms on the basis of one (1) for ten (10) ratio under the Share Consolidation (ie; the number of Common Shares issuable will decrease and the exercise price or conversion price, as applicable, will increase proportionately). If the Share Consolidation Special Resolution is passed by the requisite number of Shareholders at the Meeting and receives the necessary regulatory approvals, upon the filing of the articles of amendment to implement the Share Consolidation, the Common Shares will be consolidated into new Common Shares as described in this Circular. In accordance with the rules of the TSX-V, replacement share certificates will be issued.

If the Share Consolidation is approved by the Shareholders and implemented by the board of directors, the registered holders of Common Shares will be required to exchange the share certificates representing their pre-consolidation Common Shares for new share certificates representing the post-consolidation Common Shares to which they are entitled. As soon as practicable after the Share Consolidation has been affected, the Corporation’s Transfer Agent will be instructed to send a letter of transmittal to holders of Common Shares for use in delivering their pre-consolidation share certificates to the Transfer Agent. Tendered certificates will be exchanged for new certificates representing the appropriate number of Common Shares to which a Shareholder is entitled following the Consolidation.

Shareholders should not destroy any share certificates and should not submit any share certificates until

such time, if any, that the Share Consolidation is completed, and they receive a letter of transmittal from the Transfer Agent.

It is the intention of the persons named in the enclosed form of proxy, if not expressly directed otherwise in such form of proxy, to vote such proxies FOR the Share Consolidation Special Resolution

CORPORATE GOVERNANCE PRACTICES

National Instrument 58-101 - Disclosure of Corporate Governance Practices and *National Policy 58-201 Corporate Governance Guidelines* set out a series of guidelines for effective corporate governance. The guidelines address matters such as the composition and independence of corporate boards, the functions to be performed by boards and their committees, and the effectiveness and education of board members. Each reporting issuer, such as the Corporation, must disclose on an annual basis and in prescribed form, the corporate governance practices that it has adopted. The following is the Corporation's required annual disclosure of its corporate governance practices.

Board of Directors

1. Independent Directors

The independent directors of the Corporation are Robin Dow and Lindsay Weatherdon.

2. Non Independent Directors

The non-independent directors of the Corporation are Mr. Marc Roy in light of his position as CEO, President and COO of the Corporation and Jeffrey York in light of his compensation and position as Chairman of the Board.

Two of the current four directors are independent; half of the Board thus consists of independent directors. Meetings of the Board are chaired by Jeffrey York. If necessary, the independent members of the Board can meet without non-independent directors and members of management present. Important matters are discussed with the Audit Committee of the Board, which is comprised for the most part of independent directors. These factors allow the Board to preserve its independence with respect to management of the Corporation and to exercise its independent supervision over management.

Directorships

The following directors are currently directors of other issuers that are reporting issuers (or the equivalent) in a jurisdiction of Canada or a foreign jurisdiction:

Name of Director	Issuer
Jeffrey York	Braille Energy Systems Inc. Stria Lithium Inc.
Lindsay Weatherdon	Braille Energy Systems Inc.
Robin Dow	Stria Lithium Inc

Orientation and Continuing Education

The Corporation does not currently have a formal orientation program for new directors. The Board has not at this time taken any measures to provide continuing education for the directors. However, the directors of the Corporation are encouraged to attend, at the Corporation's expense, any seminar given by the TSX-V or the Canadian Securities Administrators relating to the management of a public company or relating to their responsibilities as a director of a public company. Furthermore, the directors are given access to the Corporation's legal advisors for any questions they may have relating to such responsibilities.

Ethical Business Conduct

In light of the Corporation's stage of development and its limited number of employees, the Board has not taken formal steps to encourage and promote a culture of ethical business conduct.

Nomination of Directors

The Board does not have a nominating committee. The current size and composition of the Board allows the entire Board to take the responsibility for finding and nominating new directors, taking into consideration the competencies, skills, experiences, and ability to devote the required time.

Compensation

The process of compensation is described in the Section "Compensation of Executive Officers and Directors".

Other Board Committees

The Board does not have any standing committee other than the Audit Committee and Compensation Committee.

Assessments

To date, no formal evaluation has been put in place to evaluate the effectiveness of the directors, the descriptions of the positions held or the competence and qualifications that each director is required to bring to the Board. This task is the responsibility of the Board who punctually reviews its operations as well as its directors' role, and its members are encouraged to give feedback regarding the effectiveness of the Board as a whole, its practices and individual directors will, when necessary, make recommendations to the Board.

Disclosure on Diversity and Representation of the Board and Senior Management under the CBCA

The diversity information disclosed herein relates to the representation of women, Indigenous peoples (First Nations, Inuit and Metis), persons with disabilities and members of visible minorities, defined as designated groups, on the Board of Directors and in senior management of the Corporation as of April 1, 2022.

The Corporation has not adopted written policies and targets relating to the representation of designated groups given that the Corporation is a junior exploration company involved in the exploration of mining projects, that it has no employees, and its business relations are limited.

Given the size of the Board and the operations of the Corporation, the Corporation has not adopted term limits for members of the Board. Directors are elected for a period of one year until the next annual general meeting of shareholders.

The Board of Directors of the Corporation considers diversity in identifying and nominating candidates for election or re-election to the board as well as for making senior management appointments, by carefully evaluating necessary competencies, skills and other qualifications of each candidate as a whole and taking into account the track record in general business management and the ability to devote the time required.

The Corporation has no targets for representation on the board and among senior management for the designated groups. At the present time, one member of senior management may be considered a member of a designated group representing 50% of the senior management of the Corporation, and no member of the Board is a member of a designated group.

SHAREHOLDER PROPOSALS

The *Canada Business Corporations Act* provides, in effect, that a registered holder or beneficial owner of shares that is entitled to vote at an annual meeting of the Corporation may submit to the Corporation notice of any matter that the person proposes to raise at the meeting (referred to as a “**Proposal**”) and discuss at the meeting any matter in respect of which the person would have been entitled to submit a Proposal. The *Canada Business Corporations Act* further provides, in effect, that the Corporation must set out the Proposal in its management information circular along with, if so requested by the person who makes the Proposal, a statement in support of the Proposal by such person. However, the Corporation will not be required to set out the Proposal in its management information circular or include a supporting statement if, among other things, the Proposal is not submitted to the Corporation at least 90 days before the anniversary date of the notice of meeting that was sent to the shareholders in connection with the previous annual meeting of shareholders of the Corporation. As the notice in connection with the Meeting is dated April 1, 2022, the deadline for submitting a proposal to the Corporation in connection with the next annual meeting of shareholders is January 1, 2023.

The foregoing is a summary only; shareholders should carefully review the provisions of the *Canada Business Corporations Act* relating to Proposals and consult with a legal advisor.

OTHER MATTERS

Management knows of no other matter to come before the Meeting. However, if any other matters which are known to the management should properly come before the Meeting, the accompanying form of proxy confers discretionary authority upon the person’s name therein to vote on such matters in accordance with their best judgement.
